PROGRAM OVERVIEW

Who We Are · Layton Youth Lacrosse

WHO WE ARE

Layton Youth Lacrosse runs K–8 lacrosse for boys and girls in Layton, Utah. About 100 players played on our four boys teams this past year (K/1, 2/3, 5/6, and 7/8). Our girls play through Legacy Lacrosse, the Davis County combined program, while we build toward Layton girls teams of our own. We are the feeder program for Layton High School lacrosse. Our sister program, Northridge Youth Lacrosse, feeds Northridge High School — Layton is the only city in Davis County with two high schools inside its boundaries, and both draw their students from Layton families.

Layton Youth Lacrosse is a registered nonprofit organization, and our 501(c)(3) tax-exempt status is pending.

PURPOSE

To build one Layton lacrosse community where kids start, stay, and finish together.

MISSION

Layton Lacrosse is dedicated to promoting, developing, and growing K–8 youth lacrosse for boys and girls in Layton. Driven by a community of coaches, families, and volunteers, we are building one lacrosse family on one path to Layton High, so players and families stay and finish together.

VISION

A Layton where lacrosse is part of growing up: full boys and girls teams at every grade, a Layton High roster built from our own youth fields, and a whole community in the stands behind them.

OUR VALUES

One Family
Nobody is a stranger here for long; players and families belong like family, from the youth sidelines to Layton High's stands.

Grow the Game
The door is always open: new players at any age, from any sport, are a win — not a problem to catch up.

Respect the Game
IMLAX's ROOTS: respect the Rules, our Opponents, the Officials, our Teammates, and ourSelves — on the field and on our sidelines.

Develop Every Player
We compete hard and coach every kid who shows up, not just the best of the best.

Many Hands
The program runs on a community, not a hero: we share the work so no one person has to carry Layton Lacrosse alone.

Access
Cost should never be the reason a Layton kid doesn't play. We keep required costs as low as we can, state them upfront, and help families find a way.

HOW WE'RE SET UP

USA LACROSSE
The national governing body for the sport.

IMLAX — INTERMOUNTAIN LACROSSE
Utah's statewide youth league and USA Lacrosse chapter. IMLAX runs registration and schedules our games.

LAYTON YOUTH LACROSSE
Our local K–8 program, run by an all-volunteer board of parents and coaches.

LAYTON HIGH SCHOOL
Where our players move on. Lacrosse has been a UHSAA-sanctioned high school sport since the 2019–20 school year.

LACROSSE IN UTAH

- The Creator's Game — lacrosse is one of the oldest team sports in North America, created by the Indigenous peoples of the continent and played for centuries before it was organized.
- Growing fast — IMLAX spring youth participation grew from 4,328 players in 2017 to 5,805 in 2026. Girls' participation nearly doubled in that span, from 734 to 1,337.
- College lacrosse in Utah — NCAA Division I men's lacrosse at the University of Utah; NCAA Division II men's and women's at Westminster University; club programs at BYU, Utah State, UVU, and Utah Tech.
- Pro lacrosse in Utah — the Premier Lacrosse League's Utah Archers are based in Herriman and play at Zions Bank Stadium. They won back-to-back PLL championships in 2023 and 2024, and the PLL played its entire 2020 season in Utah.

COME PLAY THE FASTEST GAME ON TWO FEET

Lacrosse is the oldest sport in North America — Native nations played it for centuries before it became the game we know today. It is still the fastest game on two feet: nonstop running, passing, and shooting, with every player involved on every play. Kids who try it tend to fall in love with it — the sport, the heritage, and the team around them. No experience is needed. Most of our players picked up a stick for the first time with us.

BOYS AND GIRLS PLAY DIFFERENT GAMES

Boys wear full pads, with contact limited at the youngest ages and added as they grow. Girls play limited-contact with goggles or a girls' helmet.
Layton girls register with us and play through Legacy Lacrosse, the Davis County combined program, while we build toward a Layton girls team of our own.

SEASON AT A GLANCE

- Registration opens Monday, November 23, 2026 — Early Bird pricing ends December 31; registration closes February 10.
- Spring season — practices can start February 24; first games March 20, and games run through May.
- Fall season — September and October.
- League games are scheduled through IMLAX.
